

BANGO WIND FARM

Emergency Incident Response Procedure

Under Part 5.7 of the *Protection of the Environment Operations Act 1997* (POEO Act), there is a duty to notify each relevant authority (identified below) of a pollution incident where material harm to the environment is caused or threatened. Material harm includes actual or potential harm to the health or safety of human beings or to ecosystems, that is not trivial or that results in actual or potential loss of property damage of an amount over \$50,000.

For any of the above pollution incidents, SQE staff shall immediately notify the relevant authorities as outlined below.

Emergency Contacts

Site details

Bango Wind Farm	Lachlan Valley Way, Boorowa, NSW, 2586

SafeWork NSW	131 050
Yass Valley Council	(02) 6226 1477
Hilltops Council	1300 445 586

For incidents posing immediate threat to human health or property all owners and occupiers of the premise will be contacted via phone where possible or direct to the affected resident's door.

Where regular updates are required to a large number of people communication may be undertaken via the project website (<https://www.squadronenergy.com/our-projects/bango-wind-farm>), radio and Facebook page. Level and type of communication will be determined based on the incident type and severity and information provided by the relevant authorities listed above.
