

Invitation

Community drop-in session - May 2026

SQUADRON
ENERGY

Banandra Wind Farm

Squadron Energy is developing Banandra Wind Farm and our team invites you to a community drop-in information session to learn more about the proposed project, provide your feedback, and get to know the team.

The proposed Banandra Wind Farm is located around 10km south-east of Darlington Point. The project is in the early phases of planning and consists of up to 93 wind turbines and associated infrastructure.

We will share some information about the project and are seeking the community's perspectives and input.

RSVP is not required and light refreshments will be provided

Please join us:
